## Code of Conduct

The Landance Ballet Track is a program based on trust and founded on the belief that young people are building skills for life in an environment where honesty, integrity, and respect are taken seriously. We expect our students to act in a manner that exemplifies courtesy, concern for others, responsibility, and respect. All students are asked to abide by the following guidelines in all of their endeavors in the LBT program:

- I will resolve all conflicts peacefully;
- I will deal honestly and respectfully with teachers and students;
- I will abide by the principles of this code and the policies outlined in The LBT Policies and Procedures

Landance Ballet Track will take disciplinary action or require the withdrawal of a student for failure to comply with the rules of conduct, or because of disregard of other major school regulations or lack of parental cooperation.

## Statement of Responsibility

The LBT Policies and Procedures Packet combines important program information and policies (found on the Edge website). Persons unwilling or (due to pre-existent injury or chronic illness) unable to fully commit themselves to the daily regimens, to maintain work habits appropriate for a serious student, or to conform to reasonable and accepted standards of discipline are advised not to apply for enrollment. Students must be developmentally and physically capable of participating in all classes without assistance. Landance Ballet Track reserves the right to immediately dismiss any student from the program whose attitude, class attendance, work habits, interrelations with fellow students and school staff, or overall behavior is in violation of:

- The LBT Policies and Procedures Packet.
